Frequently Asked Questions (FAQ) - DSML Portfolio Project

1. What is the "DSML Portfolio Project"?
- The "DSML Portfolio Project" is an exclusive opportunity for selected learners who have demonstrated excellent performance in tests and mock interviews. By participating in these projects, you will significantly enhance your prospects of being shortlisted and hired by leading companies.

2. Who is eligible to participate in the "DSML Portfolio Project"?
- Participation in the "DSML Portfolio Projects" is restricted to learners who have demonstrated exceptional performance in tests and mock interviews. Please note that there are a limited number of **60** seats available for this project, and your selection will be determined solely by your performance in tests and mock interviews.

3. How are the projects structured?
- The project is designed as a single-group project, with each group consisting of four members. Projects are designed to be extensive and thorough, and some of them are developed in collaboration with our partner companies.

4. What is the expected duration of the project?
- You will have one month to work on your assigned project. During this period, we will provide you with a break from your regular classes to immerse yourself in the project fully.

5. Will I receive mentorship during the project?
- Yes, throughout the project, you will have the opportunity to attend two-to-one group sessions with a mentor every week. The mentor will provide guidance and support to ensure your success.

6. What are the expected outcomes of the project?
- Upon completing the project, we expect you to deliver the following outcomes:
    - GitHub Profile and/or Live Dashboard/Demo
    - Detailed 2000-word Technical Blog
    - 5-minute Demo Video (via Loom)

7. Will I receive any recognition for completing the project?

- Yes, learners who fulfil all three expected outcomes will be awarded a "**Project Completion Certificate**" to acknowledge their hard work and dedication.

8. How do I express my interest in the "DSML Portfolio Project"?

- To express your interest in the "DSML Portfolio Projects," please fill out the Typeform provided in the email invitation **by June 19th, 2023**.
